12 - 16 October 2016
Jakarta International Expo
Kemayoran - Jakarta

DEAR PARTNERS

We would like to extend a wholeheartedly warm greeting to you. The Trade Expo Indonesia (TEI) is here one more time to follow the previous Expo which has successfully attracted 1.046 exhibitors and 14.041 visitors worldwide. This annual largest B2B exhibition organized by the Ministry of Trade of the Republic of Indonesia, in cooperation with Ministry of Foreign Affairs, Ministry of Industry, Ministry of Agriculture, Ministry of Marine and Fisheries, Ministry of Cooperatives & SME's, and also Indonesia Investment Coordinating Board.

This Expo is aimed to promote quality "Made-in-Indonesia" products and services to global market, to better develop business and investment

networking, and to enhance potentials and opportunities particularly for those seeking business ventures and invest in Indonesia's manufacturing sector.

Since starting this journey, we intend to be the engine of growth not only in Indonesia but also in the region and in the global stage. Yet we know that it will

not do any good for us to make these efforts in isolation. It is an Indonesia that grows together with the world that can best work towards these goals. Indeed, we will succeed by working together with our global partners with whom we share a growth vision, and most of all, a dream of bright future.

In this 31 year of TEI's existence we are poised to promote our business friendship and the chapter we have lived together. We have a 31 year story that has bound Indonesia and the world together: a story of innumerable business efforts and achievements. And we ask you to join us in making this year's Expo as a trade show of experiencing a remarkable Indonesia.

Now let us rejoice the long road Indonesia and the world have walked down this event and envision the glittering business future that this Expo will help offering.

Expand Your Business Opportunities Tomorrow and Beyond, and Source at Remarkable Indonesia
